Dedicated Loss Control Specialist with 7 years of experience at State Farm, specializing in risk assessment, hazard identification, and loss mitigation strategies. Proven record of accomplishment in reducing workplace incidents and implementing effective safety programs. Skilled in collaborating with clients to develop tailored loss prevention solutions, ensuring compliance with industry regulations, and enhancing overall safety culture.

Professional Experience

Loss Control Specialist

State Farm Insurance Companies –San Diego, CA

8/2015 to 6/2024

- **Risk Assessment and Analysis:** Conducted comprehensive risk evaluations for commercial and residential clients, identifying potential hazards and recommending corrective actions to mitigate losses.
- **Safety Program Development:** Designed and implemented customized safety programs, leading to a 25% reduction in workplace incidents over a two-year period.
- **Client Consultation:** Collaborated with policyholders to provide on-site evaluations and training sessions, enhancing their understanding of loss prevention techniques and compliance requirements.
- **Regulatory Compliance:** Ensured clients adhered to federal and state safety regulations, resulting in improved inspection outcomes and reduced liability exposure.
- **Data Analysis and Reporting:** Utilized data analytics to identify loss trends and developed strategic initiatives to address root causes, contributing to a 15% decrease in claim frequency.

- Team Leadership: Mentored junior loss control consultants, fostering a culture of continuous improvement and professional development within the team.
